

## Resident, Family, Representative & Team Member Communication

Date: July 31, 2023

\*Cumulative # of Residents/Team Members COVID+ as of today: 3 Chateau Residents, 2 Independent Living Residents, and 2 Team members

\*Cumulative # includes all positives from the onset of outbreak status. Once a 14-day period has resulted in no new positives, the outbreak will end.

### Reason for notification:

- New COVID+ resident or team members.
- 3 or more residents or team members with new respiratory symptoms within 72 hours of one another.

The safety and wellbeing of our residents is our top priority. We are doing what we can to limit the spread of COVID-19 within Monterey, including staying in very close communication with local and state health officials to ensure we are taking all the appropriate steps under current circumstances.

### Mitigation strategies:

- ✓ We will continue to update policies, procedures and educate team members per CDC guidelines.
- ✓ We isolate those that are test positive for COVID-19.
- ✓ We will continue our enhanced infection control precautions.
- ✓ We will continue testing residents and team members for COVID-19 based on current protocols and testing availability.
- ✓ At this time, we have adequate Personal Protective Equipment (PPE).
- ✓ We will also continue to monitor anyone who enters the community for known signs and symptoms of the COVID 19 virus and will not allow anyone with symptoms to enter the community.

If you have any questions, please do not hesitate to call me at: 918-491-5288. Sincerely,
